

A photograph of a young female nurse in a blue uniform talking to an elderly woman with blonde hair and glasses. The woman is sitting in a wheelchair and smiling. There are green plants in the background.

Now Offering Concierge Care

Compassionate & Customized Care When You Need It

About Us

At HealthQuest Concierge Care, we provide private-pay nursing and therapy services for those who want a higher level of personalized care at home. Our experienced clinicians deliver customized care plans that combine skill, convenience, and compassion—on your schedule. Because we're not bound by insurance restrictions, you receive the care you need, when you need it – without red tape or coverage limits.

HealthQuest Concierge Care

VS.

Medicare & Insurance Home Health

- | | |
|---|--|
| ✓ No insurance restrictions – care is driven by your needs | ✗ Must follow strict Medicare & Insurance rules |
| ✓ Fully customizable care plans | ✗ Only covers skilled, medically necessary services |
| ✓ Ideal for complex conditions, post-surgical recovery, or frequent monitoring | ✗ Documentation & coverage rules can delay care |
| ✓ Flexible scheduling, same-day or after-hours available | ✗ May not provide wellness care, ongoing maintenance, or extended private-duty support |
| ✓ Care can continue indefinitely – no “skilled need” or progress requirements | ✗ Not always customizable – care has to fit policy requirements |
| ✓ Includes services Medicare can’t cover – including, but not limited to: <ul style="list-style-type: none">• Medication Setup & Weekly Oversight• Long Visits & Extended Care• Wellness Support & Recovery Services• Safety checks & Routine Monitoring | ✗ Services sometimes must show “progress” to stay covered |
